FULL-DAY CAPE PENINSULA TOUR

R 2 275.00 PER PERSON

Bring your camera; we're headed for Cape Point at the southwestern tip of the Cape Peninsula, and the most spectacular views in the world. The drive there is just as inspiring, passing steep mountains', secluded coves and sweeping beaches, as well as villages and fishing communities.

Our tour begins with a scenic drive along the Atlantic coast, passing through the cosmopolitan suburbs of Sea Point and Camps Bay with its glorious views of the Twelve Apostles, part of the Table Mountain range. We'll drive past the fishing village of Hout Bay, to the Cape Point Nature Reserve, comprising over 17,300 acres of indigenous fauna and flora. Here we can see a variety of wildlife that includes baboons, Reebok, Cape Mountain zebra, bontebok and the elusive eland. The reserve is also one of the world's largest breeding grounds for tortoises. Birdwatchers, too, will find many fine species to observe.

The majestic coastline offers drama worthy of being called "Nature's Greatest Show." We'll be able to see the union of the Atlantic and Indian Oceans (as per legend) and may even feel the brisk wind that is dubbed the "Cape Doctor" for its presumed curative powers. Following the coastline along False Bay, we'll return to Cape Town by way of Simon's Town, where we visit the Penguin colony at Boulders Beach (for own account) and Fish Hoek fishing village. We return to Cape Town, passing the University of Cape Town, Rhodes Memorial, and the Groote Schuur Hospital.

FULL-DAY WINELANDS TOUR

R 2 090.00 PER PERSON

While South Africa's fertile valleys are world famous for their crisp white and classic French-style red wines, the area is also a treasury of rustic beauty and sprawling estates shaded by giant oak trees. Our drive today will include the country's principal wine routes of Paarl, Stellenbosch and Franschhoek, with a stop en route for lunch (for own account).

Our day starts with a visit to Paarl where you will be struck by the beauty of the Valley, the rolling vineyards, and the Pearl of Paarl set high above the valley. Paarl made headlines when President Mandela was released from the Groot Drakenstein prison (formerly known as Victor Verster prison), on the outskirts of the town, to freedom and the start of the new South Africa. We enjoy a wine tasting at one of the local estates.

From Paarl, we'll continue north-west to the beautiful village of Franschhoek founded in 1688 by French immigrants fleeing the Huguenot religious persecution in Europe. A memorial in the town commemorates the arrival of these early settlers who helped develop the wines sought after by Napoleon, Bismarck, and royalty such as Edward VII, the Prince of Wales. Here we will stop for lunch (for own account) and another wine tasting at a local vineyard.

We'll then head to Stellenbosch, the second oldest town in South Africa and the historic heart of the country's wine region. In 1679, Dutch East India Company governor Simon van der Stel, recognized the fertility of this long valley on the banks of the Eerste River, as perfect for vineyards. Enjoy a final wine tasting before returning to Cape Town.

FULL DAY TOWNSHIP & ROBBEN ISLAND TOUR

R 2 935.00 PER PERSON

Join us for a unique experience travelling through the three South Africa's – The birth, where it all started, Apartheid South Africa and the New South Africa.

Departing from Cape Town city centre, the first stop is in the Malay Quarter (Bo Kaap) with its colourful houses. Here we discuss the arrival of an expedition of Dutch sailors in 1652 that proved to be a monumental turning point in the history of South Africa. Taking a short walk along the romantic cobble stone streets between the brightly coloured homes, your tour guide explains how the framework for racial segregation was established. Passing some of Cape Town's landmarks, a short drive brings us to District 6 where we drive through the now decaying ruins of what was once a flourishing mixed-race community where 60 000 people lived and worked but was demolished to be reserved exclusively for white people.

The tour continues to Langa, the oldest Black African Township in Cape Town. Along the way we elaborate on the restrictive legislation introduced by the Apartheid regime to enforce racial segregation. On arrival in Langa, we have a photo stop at the site that commemorates the student uprising of 1976; discuss the Pass Laws and the barracks built for African migrant workers. If conducted on a Sunday morning, the tour includes a short visit to one of the local churches. Here guests are immersed into the charisma and vibrancy of how religion is practiced in the townships. Join an afternoon ferry trip to Robben Island (weather permitting & subject to seat availability and ferry schedule), where former president Nelson Mandela was incarcerated.
